

## ASEAN Seminar in Japan on “Human Resource Development (mainly Thermal Power Field)” 2009

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

JEPIC has invited participants from ASEAN Countries since 1991 (ASEAN Seminar in Japan), and sent lectures to ASEAN Countries since 1992 (Local Seminar).

ASEAN Seminar in Japan was held by close cooperation with Hokuriku Electric Power Company, which outlines are shown below;
