JEPIC-ICC

FY 2011 Seminar in Viet Nam

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

JEPIC and Vietnam Electricity (“EVN”) launched their bilateral cooperation programs in 1998. The first seminars in Viet Nam and Japan were carried out in 1998 and 1999 respectively. Since the initiation, JEPIC and EVN have held seminars every year in Japan as well as in Viet Nam.

In cooperation with Chubu Electric Power Company and Hokkaido Electric Power Company, JEPIC and EVN held the 14th Seminar in Viet Nam in October 2011 as below;
