

ASEAN Seminars in Japan 2012

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

JEPIC has invited participants from ASEAN Countries since 1991 (ASEAN Seminar in Japan), and sent lectures to ASEAN Countries since 1992 (Local Seminar).

In this year, JEPIC held 4 seminars in Japan. And in June, we held a seminar cooperated with KYUSHU Electric Power Company, which outlines are shown below;

Theme 'Electric Power System Planning and Operation' --- for 3 countries

Date	June 18 th ~ June 29 th 2012
