

December 2013
International Cooperation Center (ICC), JEPIC

**JEPIC Seminar in Laos on
“Dam Metering and Water Regulating” 2013**

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

One of the programs, JEPIC held local seminars for Electricite Du Laos (EDL) & Electricite Du Cambodge (EDC) together from fiscal 2006 for 5 years. Subsequently, JEPIC holds local seminars for EDL and EDC respectively from fiscal 2011.

In cooperation with Kyushu EPCo., Inc., JEPIC, Electricity Generating Authority of Thailand(EGAT) and EDL held the 3rd seminar in Laos on November 2013, which outlines are shown below;

Date of the Seminar:	25 th – 28 th November, 2013
