

Seminar in Laos on “SCADA System for Power System Operation” JFY2014

March 2015, International Cooperation Center (ICC), JEPIC

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN Countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as technical basis, management method and human resources development.

One of the programs, JEPIC held local seminars for Electricite Du Laos (EDL) & Electricite Du Cambodge (EDC) together from fiscal 2006 for 5 years. Subsequently, JEPIC holds local seminars for EDL and EDC respectively from fiscal 2011.

In cooperation with Okinawa EPCo., Inc., JEPIC and EDL held the 4nd seminar in Laos on January 2015, which outlines are shown below;

Date of the Seminar: 19th – 21st January, 2015
Seminar Place: Vientiane City, Laos
Theme of the Seminar: SCADA System for Power System Operation
Mission Member from Japan: Three experts from Okinawa EPCo., Inc. and JEPIC
Two secretaries from JEPIC

58 EDL persons of Power System Operation Engineers and EDL-GEN Engineers attended the Seminar from many regions of Laos.

We made the fruitful discussion and share opinion as to SCADA System for Power System Operation in each country.
