

FY 2015 JEPIC Seminar in Cambodia on “Thermal Power Generation”

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

One of the programs, JEPIC had held local seminars for Electricite Du Cambodge (EDC) & Electricite Du Laos (EDL) together from FY 2006 for 5 years. Subsequently, JEPIC has held local seminars for EDC and EDL respectively from FY 2011.

In cooperation with Tokyo Electric Power Company, JEPIC and EDC held the Seminar in Cambodia from the end of August to beginning of September 2015, which outlines are shown below;

1. Date : from August 31st to September 2nd, 2015
2. Venue : EDC hall (Phnom Penh, newly installed)
3. Theme : Thermal Power Generation
4. Mission Member:
 - 1 Seminar Leader
 - 2 Experts from Tokyo Electric Power Company
 - 1 Expert from JEPIC
 - 1 Secretary from JEPIC
5. Participants: 28 from EDC
