JEPIC

JEPIC Seminar in Viet Nam on “Optimization of Hydropower Generation” 2016

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

JEPIC and Vietnam Electricity (“EVN”) launched their bilateral cooperation programs in 1998. The first seminars in Viet Nam and Japan were carried out in 1998 and 1999 respectively. Since the initiation, JEPIC and EVN have held seminars every year in Japan as well as in Viet Nam.

In cooperation with Shikoku Electric Power Company and Electric Power Development Company, JEPIC and EVN held the 19th Seminar in Viet Nam in September 2016 as below;

Date of the Seminar	: September 6 th to 8 th , 2016
Seminar Place	: Hanoi, Viet Nam (EVN Headquarters)
Theme of the Seminar	: Optimization of Hydropower Generation
Participants	: 39 participants from EVN and its affiliates
Mission Member	: 2 experts from Shikoku Electric Power Co., Inc., 2 experts from Electric Power Development Co., Ltd. 2 secretaries from JEPIC
