

April 2016
JEPIC

JICA Training Course (JFY2015)
“Thermal Power Engineering Course for Uzbekistan”

Japan Electric Power Information Center (JEPIC) performed a technical training program under the contract with JICA.

The training was implemented under the cooperation of Power Engineering and Training Services, Inc. as follows,

Date	February 17 (Wed) ~ April 6 (Wed), 2016
Organization	Japan Electric Power Information Center Power Engineering and Training Services, Inc.
Participants	Total 13 participants
Subject	<Lecture> Outline of the Electric Power Industry in Japan Human resource development for the thermal power and engineering sector Gas turbine combined power generation technology Non-destructive inspection technology Remaining life assessment technology Gas turbine simulator training etc. <Site visit> Coal-fired Thermal Power plant Gas combined cycle thermal power plant IGCC thermal power plants Power plant component manufacturing factory (Boiler, Steam Turbine etc.)
