JEPIC

JEPIC Seminar in Indonesia on “Integration and Impact Study of Renewable Energy Generation on Power System” 2017

JEPIC has been conducting bilateral seminar program with electric utilities in ASEAN countries with strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as basic and expertise technologies, management and human resources development.

JEPIC and PLN, the Indonesian electric power corporation, launched their bilateral cooperation program in 1991 by holding the first seminar in Japan. The first visiting seminar in Indonesia was carried out in 1992. After the initiation, JEPIC and PLN have been continuing annual seminars in Japan as well as in Indonesia.

In cooperation with Chubu Electric Power Company, Inc. and Hokuriku Electric Power Company, JEPIC and PLN held the 26th seminar in Indonesia in September 2017, as outlined below;

Date of the Seminar : 4th – 6th September, 2017

Seminar Place : Jakarta City, Indonesia

Theme of the Seminar : Integration and Impact Study of Renewable Energy
Generation on Power System

Participants : 56 participants from PLN

Mission Members : 2 experts from Chubu Electric Power Company, Inc.
2 experts from Hokuriku Electric Power Company
2 secretaries from JEPIC

56 PLN participants attended the seminar from many regions of Indonesia. After the presentation, we had a fruitful discussion and shared opinions.
