JEPIC

JEPIC Seminar in Viet Nam on “Fuels Supply for Thermal Power Plant” 2018

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

JEPIC and Vietnam Electricity (“EVN”) launched their bilateral cooperation programs in FY1998. The first seminars in Viet Nam and Japan were carried out in FY1998 and FY1999 respectively. Since the initiation, JEPIC and EVN have held seminars every year in Japan as well as in Viet Nam.

In cooperation with Tokyo Electric Power Company Holdings (JERA), Kyushu Electric Power Company, JEPIC and EVN held the 21th Seminar in Viet Nam in August 2018 as below;

Date of the Seminar	: August 27 th to 29 th , 2018
