

## JEPIC Seminar in Japan for Indonesia and Vietnam 2018

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries with strong support from electric power companies in Japan. The purpose of the program is to strengthen their business infrastructure such as basic and expertise technologies, management method and human resources development.

JEPIC has invited participants from ASEAN Countries since 1991 (ASEAN Seminar in Japan), and sent lecturers to ASEAN Countries since 1992 (Local Seminar).

We held the seminar for Indonesia and Vietnam as outlined below;
