

FY2018 JEPIC Seminar in Laos on “Power System Analysis”

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN Countries with strong support from electric power companies in Japan. The programs’ purpose is to strengthen ASEAN Countries’ business infrastructure such as basic and expertise technologies, management method and human resources development.

As one of the programs, JEPIC held local seminars for Electricite Du Laos (EDL) & Electricite Du Cambodge (EDC) together from FY2006 for 5 years. Subsequently, JEPIC has held local seminars for EDL and EDC respectively from FY2011.

In cooperation with Electric Power Development Co., Ltd., JEPIC and EDL held the 8th seminar in Laos in January 2019, which outlines are shown below;

Date of the Seminar:	29 th – 31 st January, 2019
Seminar Place:	Vientiane City, Laos
Theme of the Seminar:	Power System Analysis
Mission Member from Japan:	2 experts from Electric Power Development Co., Ltd. 1 expert from JEPIC 2 secretaries from JEPIC

44 participants from EDL etc. attended the seminar. We made a lot of fruitful discussion and shared opinions as to Power System Analysis.

The seminar is featured on EDL’s official website.
