

FY 2021 JEPIC Online Seminar with Cambodia

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

Since 2006, JEPIC has held local seminars for Electricite Du Cambodge (EDC) using lecturers dispatched by one of the Japanese power companies as well as providing lecturers in alternate years either from JEPIC or TNB (Tenaga Nasional Berhad, Malaysia).

In cooperation with Tohoku Electric Power Company and Tohoku Electric Power Network Company, JEPIC and EDC held a remote seminar on March 2022 via internet, as outlined below;

Date of the Seminar : March 10th - March 16th, 2022

Theme of the Seminar : National Dispatching Center Design, Operation and Security

Seminar Method : Distribution of lecture text/ movie
Q & A via Web Meeting

Mission Members : 3 experts from Tohoku Electric Power Network Company
1 secretary from JEPIC
