**FY2022 JEPIC Seminar in Vietnam on
"Improve Availability and Optimize Operation of Coal-fired Thermal Power Plants"**

JEPIC has been conducting bilateral seminar programs with electric utilities in ASEAN countries under strong support from electric power companies in Japan. The purpose of the program is to strengthen business infrastructures of the electric utilities in ASEAN countries, such as technical basis, management and human resources development.

JEPIC and Vietnam Electricity ("EVN") launched their bilateral cooperation programs in FY1998. The first seminars in Vietnam and Japan were carried out in FY1998 and FY1999 respectively. Since the initiation, JEPIC and EVN have held seminars* in Japan as well as in Vietnam.

In cooperation with Hokkaido Electric Power Co., Inc., JEPIC and EVN held the Seminar in Vietnam in March 2023 as below;

1. Date of the Seminar : March 20th to 21st, 2023
2. Seminar Place : Hanoi, Vietnam
(EVN Headquarters)
3. Theme of the Seminar : Improve Availability and Optimize Operation of Coal-fired Thermal Power Plants
4. Participants : 78 participants (33 on-site, 45 online)
from EVN and its affiliates
5. Mission Member : 2 experts from Hokkaido Electric Power Co., Inc.
3 secretaries from JEPIC

* Seminar in FY2020 and FY2021 were postponed in consideration of COVID-19 infection and EVN's intention.
